KATHUA, Aug 13: Sab Ras Sahitya Sangam in collaboration with J&K Academy of Art Culture and Languages today organized multilingual Kavi Sammelan in memory of prominent writer of State, late Mansa Ram Sharma "Chanchal" at Bhagwan Parshuram Dham, Gurha Mundian, tehsil Hiranagar.

The programme was well organized by organizing manager R P Aggarwal. On this occasion, BJP MLA from Kathua Rajiv Jasrotia was chief guest. Sab Ras Sahitya Sangam conducted 'Kavi Sammelan' to educate people about the importance of planting saplings and protecting the environment. The local poets read out their poems on the importance of protection of trees for the mankind and for bountiful rains and also protection from pollution.

Speaking on the occasion, Jasrotia said that there is no doubt that writers can make an impact on the social and political life of the nation by using their

reputations as thinkers and writers. "There are too many voices speaking out today be they politicians, journalists, celebrities, the media, the specialists, but it is hard to hear the writers' voice in this cacophony of voices," he said and added that writers and storytellers are the individuals who have designated themselves with the daunting task of recreating the time, place and characters of whatever era they live in.

Voicing his concern over ignoring Hindi language, the BJP MLA stressed that Hindi was not only our national language but our heritage. "Therefore, it is important to preserve our heritage to redefine our status, symbol and individuality. We should not forget that without respecting the language, we cannot move even a step further," Jasrotia said and appreciated the role of the J&K Academy of Art, Culture and Languages for organizing a series of special programmes on the eve of Independence Day.

He said such events definitely provide an occasion to sit together and celebrate such festivals without any creed and colour.

NC does not represent Jammu, says Gupta

Excelsior Correspondent

JAMMU, Aug 13: The National Conference (NC) has been rejected totally by the people of Jammu region, and it does not represent the ethos of the region. A clear evidence of this is the way the party was decimated in the previous elections of the State Legislative Assembly. The tally of the NC has reached an all-time low and it is odd to claim that it represents Jammu, BJP State spokesman Arun Kumar Gupta said in a statement here today.

The claims made by NC regional chief Devender Rana on Article 35-A are not true as the Jammu region does not support this provision at all. Rana's claims with regard to this provision are totally misleading and spurious, Gupta asserted. In fact, the NC is afraid of this issue coming under scrutiny now and wants to shut debate among people, he added.

The issue is pending its disposal in the Supreme Court whether Article 35-A needs to be scrapped from the Constitution or not. That is the issue to be decided in the highest court of the land and will be properly scrutinised, he pointed out. When an issue of such a great sensitivity is in the court, to claim that Jammu supports this provision is misleading and false, Gupta added.

The claims of support for Article 35-A in the Jammu region are totally misplaced and the NC should observe the legal nicety of desisting from commenting on an issue with the Supreme Court. The process of a matter being sub

BSF observes World Organ Donation Day

Excelsior Correspondent

JAMMU, Aug 13: World Organ Donation Day was observed by Frontier Headquarters BSF by organising organ donation camp here today.

This day is a reminder of the need to aware the various strata of society about importance of organ donation. Understanding the common concern and being aware of its social responsibility, BSF stands firm in its contribution to the National causes.

Organ donation camp was inaugurated by Kamlesh Ram Awatar, president BAWA, BSF Frontier Headquarters Jammu.

During the camp, Ram Awatar, IG BSF, highlighted the importance of organ donation and shared that organ donation is one of the most significant contributions that a person can make towards society. It is a well known fact that due to non-availability of transplantable organs, many precious lives are lost.

Man arrested with banned Chinese thread rolls

Excelsior Correspondent

JAMMU, Aug 13: A man was today arrested after police recovered banned Chinese threads rolls from his possession near Dewana Mandir, Kacchi Chawani, falling under the jurisdiction of Pacca Danga police station.

As per police spokesman, based on reliable information, a team from Pacca Danga police station during the intervening night of August 12 and 13 conducted raid near Dewana Mandir, Kacchi Chawani and apprehended a man along with 351 rills of the string locally called as "Gattu Dor", following which he was arrested.

The man was trying to sell the

judice needs to be understood and

respected, he said.

The BJP's stance on Article 370 as also Article 35-A is very well-known among people, and does not need to be reiterated here. Rana claims that scrapping Article 35-A will render Article 370 hollow but a decision regarding it can come only from the Apex Court. A political party voicing apprehensions about it are out of place, Gupta said.

He pointed out that the response of another NC legislator, Javed Rana, on the issue of Article 35-A appears far more mature, and balanced. Perhaps because Javed Rana has been a legislator for a longer period and understands the process of law-making better, Arun Gupta said. Javed Rana is reported to have said that Indian Parliament is competent to deal with the issue of Article 35-A.

Javed Rana has admitted on record that the process adopted for inserting Article 35-A in the Indian Constitution suffered from a procedural flaw. He had also said that an amendment (Article 35-A) cannot be effected in the Indian Constitution through the executive route. This has been a stance of the BJP all through these years that due process has not been followed and Article 370 gives no powers to President of India to amend the Constitution.

The two Ranas of the same party, are adopting opposite stances on Article 35-A. This shows that there is utter confusion in the NC regarding the issue and it is best left to the courts and legal minds.

appreciated the initiative taken by BSF and rated it as a huge step for betterment of society. He conveyed that post life organ and tissue donation shall be considered the supreme among all of social services. The huge gap between the demand of organs to the supply of it can only be fulfilled by such bold initiative as BSF has taken.

Dr KS Kumar, Commandant (Medical) BSF, who organised this camp also expressed that organ donation is such service to the society which can not be compared with any other type of contribution to the society. Dr Kumar also stated that on initiative taken by Frontier HQ, till now more than 2500 BSF personnel have volunteered themselves to take pledge and register them for organ donation.

This camp, for the BSF is not a one day campaign but a continuous endeavour and contribution towards a healthy and prosperous society. Harinder Pal, DIG; Hardeep Singh, DIG; JC Singh, DIG and Rajiv Sinha, DIG along with 450 personnel attended the camp.

A case under FIR Number 101/17 under relevant sections has been registered at police station Pacca Danga and investigation started.
